- Pet approval is subject to specific criteria and approval is not guaranteed. Further approval is required from Body Corporate in writing if the above-mentioned property is under a Body Corporate Scheme.
- Tenant/s are required to ensure that the pet/s are registered with the relevant council at all times.
- If approved, tenant/s understands they are liable if any damage or injury is caused by the pets at the property.
- The pet is required to remain outside at all times (unless specified in the General Tenancy Agreement).
- The tenant/s will take all reasonable steps to ensure the pets do not become an annoyance or a source of discomfort to other tenants or neighbours.
- During the tenancy when a routine inspection is scheduled, pet/s are to be tied up or restrained.
- Tenant/s are to ensure the grounds and surrounding outdoor areas are kept clean and free from animal faeces, etc.
- Upon vacating the property, the tenant/s are required to arrange fumigation from a professional reputable company, and provide a receipt to our agency.
- This application is for approval for the above pet/s only. Should the tenant seek approval for another pet or wish to substitute the above pet/s, approval must be sought prior to the pet being allowed on the property.
